Delegate Orrock informed the Commission that this study will fill JLARC's workload for 2017. Delegate Massie asked Mr. Greer to confirm that this study can be conducted with existing JLARC staff, but that it will require additional funding between \$250,000 and \$300,000 to hire a consultant. Mr. Greer stated that both of these points are correct.

There being no further questions, Delegate Orrock requested a motion from the Commission to approve the study resolution. Delegate Massie made a motion to adopt the resolution. The motion was seconded by Delegate Plum and Senator Howell and approved unanimously by the Commission members.
