## AGENCIES AND INSTITUTIONS PROPOSED BUDGET

### Approach for Cycled Agencies

*We use a risk-based approach for auditing cycled agencies, which are agencies that do not have a mandated annual audit requirement and do not support our CAFR or Statewide Single Audit of federal funds. Annually we will perform a risk analysis for all of the cycled agencies considering certain criteria and divide the agencies into two pools based on the resulting risk rating. Below are the approaches for both pools and agencies currently included in each pool. The agencies included in each pool are subject to change each year depending on risk.*

#### Cycled Agencies – Pool I

*The agencies in this pool will be subject to audit every year under a special project that focuses on an area that is determined to be significant for the agencies in this pool. We will determine the specific area of focus based on the results of prior audits and internal control questionnaire results. We will use risk analysis to determine the Pool I agencies at which we will perform detailed procedures related to this area. We will perform limited procedures at the remaining agencies. All agencies will also be subject to an internal control questionnaire review with an on-site visit to verify controls once every three years.*

A.L. Philpott Center	Marine Resources Commission
Assistive Technology Loan Fund Authority	Motor Vehicle Dealer Board
Commonwealth’s Attorney’s Services Council	New College Institute
Compensation Board	Office of Children’s Services
Department of Aviation	Office of the State Inspector General
Department of Criminal Justice Services	Payroll Service Bureau
Department of Environmental Quality	Small Business Financing Authority
Department of Fire Programs	Southern Virginia Higher Education Center
Department of Forensic Science	Southwest Virginia Higher Education Center
Department of Forestry	State Board of Elections
Department of Health Professions	State Council of Higher Education for Virginia
Department of Historic Resources	The Library of Virginia
Department of Housing and Community Development*	The Science Museum of Virginia
Department of Human Resource Management	Tobacco Region Revitalization Commission
Department of Juvenile Justice	Veterans Services Foundation
Department of Labor and Industry	Virginia Board of Bar Examiners
Department of Military Affairs	Virginia Commission for the Arts
Department of Mines, Minerals, and Energy	Virginia Criminal Sentencing Commission
Department of Planning and Budget	Virginia Foundation for Healthy Youth
Department of Professional and Occupational Regulation	Virginia Health Workforce Development Authority
Department of Rail and Public Transportation	Virginia Museum of Fine Arts
Department of Small Business and Supplier Diversity	Virginia Museum of Natural History
Frontier Culture Museum of Virginia	Virginia Racing Commission
Gunston Hall	Virginia Tourism Authority
Indigent Defense Commission	Virginia Worker’s Compensation Commission
Jamestown-Yorktown Foundation	Wireless E-911 Fund

\*Includes Urban Public-Private Partnership Redevelopment Fund, Virginia Growth and Opportunity Fund, and Virginia Removal or Rehabilitation of Derelict Structures Fund

**Cycled Agencies – Pool II**

*We will perform an annual audit of agencies classified in Pool II; however, the audit objectives and scope will vary from the audits that we have traditionally performed. Generally, agencies classified in Pool II will stay in the audit cycle for a minimum of three years and we will plan our work accordingly. However, depending on the risk factors that resulted in their inclusion in the pool, some agencies may be in the audit cycle for a shorter period. We will use a risk-based approach to determine the scope of the review for each agency selected. Therefore, our reports will have a more limited scope, focusing on the specific area we select for review. This will allow us to cover areas in more depth and additional areas that we may not have previously covered as we were focused primarily on significant cycles as opposed to those that may have higher risk. These agencies will also be subject to an internal control questionnaire review with an on-site visit to verify controls once every three years.*

Disability Services Agencies*	Department of State Police
Department of Agriculture and Consumer Services	Department of Veterans Services
Department of Conservation and Recreation**	State Corporation Commission
Department of Emergency Management	Supreme Court of Virginia***
Department of General Services	Virginia Information Technologies Agency
Department of Game and Inland Fisheries	Virginia School for the Deaf and the Blind
<b>Total – Cycled Agencies Pool I and II</b>	<b>10,000</b>

\*Includes Department for Aging and Rehabilitative Services, Department for the Blind and Vision Impaired, Department for the Deaf and Hard of Hearing, and Virginia Board for People with Disabilities

\*\*Includes Virginia Land Conservation Foundation

\*\*\*Includes Clerk of the Supreme Court, Court of Appeals of Virginia, and Virginia Criminal Sentencing Commission

PEER REVIEW REPORT

April 13, 2018

Martha S. Mavredes, CPA  
Auditor of Public Accounts  
Virginia Office of the Auditor of Public Accounts  
101 North 14<sup>th</sup> Street  
Richmond, Virginia 23218

Dear Auditor of Public Accounts:

We have reviewed the system of quality control of the Commonwealth of Virginia, Office of the Auditor of Public Accounts (the office) in effect for the period March 1, 2017 – February 28, 2018. A system of quality control encompasses the office’s organizational structure and the policies adopted and procedures established to provide it with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. The design of the system and compliance with it are the responsibility of the office. Our responsibility is to express an opinion on the design of the system and the office’s compliance with the system based on our review.

We conducted our review in accordance with the policies and procedures for external peer reviews established by the National State Auditors Association (NSAA). In performing our review, we obtained an understanding of the office’s system of quality control for engagements conducted in accordance with professional standards. In addition, we tested compliance with the office’s quality control policies and procedures to the extent we considered appropriate. These tests covered the application of the office’s policies and procedures on selected engagements. The engagements selected represented a reasonable cross-section of the office’s engagements conducted in accordance with professional standards. We believe that the procedures we performed provide a reasonable basis for our opinion.

Our review was based on selective tests; therefore, it would not necessarily disclose all design matters in the system of quality control or all compliance matters with the system. Also, there are inherent limitations in the effectiveness of any system of quality control; therefore, noncompliance with the system of quality control may occur and not be detected. Projection of any evaluation of a system of quality control to future periods is subject to the risk that the system of quality control may become inadequate because of changes in conditions, or because the degree of compliance with the policies or procedures may deteriorate.

In our opinion, the system of quality control of Commonwealth of Virginia, Office of the Auditor of Public Accounts in effect for the period March 1, 2017 – February 28, 2018 has been suitably designed and was complied with during the period to provide the audit organization with reasonable assurance of performing and reporting in conformity with *Government Auditing Standards* in all material respects. Audit organizations can receive a rating of *pass*, *pass with deficiency(ies)*, or *fail*. **The Commonwealth of Virginia, Office of the Auditor of Public Accounts has received a peer review rating of *pass*.**
