

## **COMMUNITY COLLEGES**

### *Operations and Performance of the Virginia Community College System, 2017*

**Dual enrollment** ► The General Assembly may wish to include language in the Appropriation Act to require the state's public four-year institutions of education to report, for dual enrollment students, (i) the total number of dual enrollment credits on students' transcripts, (ii) the total number of those credits that were accepted for credit by the institutions, and (iii) whether the credits were applied to elective requirements, program requirements, or other requirements. This information should be reported to the State Council of Higher Education for Virginia (SCHEV) and the Virginia Community College System (VCCS) at the end of the 2017-18 academic year and in subsequent years as necessary to help improve the quality of dual enrollment courses and the state's dual enrollment policies. VCCS and SCHEV should use this information to identify dual enrollment courses that are not routinely accepted for credit. (Recommendation 7)
