

ELECTIONS ADMINISTRATION

Operations and Performance of Virginia's Department of Elections, 2018

RECOMMENDATION

Nonpartisan, professional agency leadership ► The General Assembly may wish to consider amending § 2.2-2905 of the Code of Virginia to eliminate the appointed positions of chief deputy commissioner and confidential policy advisor for the Virginia Department of Elections. (Recommendation 20)

POLICY OPTION

Voter registration ► The General Assembly could amend the Code of Virginia to assign the Department of Elections exclusive authority to add and remove voters from the state's voter registration list. (Option 1)
